Association of African Insurance Brokers (AAIBA)

Creating new grounds for insurance brokerage in Africa through.....

- **Protecting and promoting the general welfare and interest of Insurance Brokers and Insurance Brokers Associations in Africa.**
- **Encouraging the exchange of insurance and reinsurance business between members.**
- **Promoting insurance pools in Africa.**
- **Promoting insurance education and exchange of technical information between members and other insurance markets.**

AAIBA is the recognized official body of the African Insurance Organisation for the protection of the interests of Insurance and Reinsurance Brokers.

Association of African Insurance Educators and Trainers (AAIET)

The Association of African Insurance Educators and Trainers is actively involved in piloting insurance education in Africa through the.....

- Encouragement and promotion of insurance education in Africa
- Assistance to African Insurance Educators in member countries to conduct research into their insurance training and education requirements
- Encouragement and support of exchange programmes for African Insurance Educators
- Encouragement and support of the writing of articles, books and other study materials on insurance and allied matters
- Encouragement of the harmonization of the contents of insurance courses or syllabi for insurance courses for various levels of insurance training in Africa
